# MAIL ORDER PRICE LIST

## —OF—

# NORTHERN SEED AND NURSERY COMPANY

## IPSWICH, SO. DAKOTA

J. B. Taylor, Mgr.

1921

Believing that it now time to conform with the readjustment period, we have concluded to reduce prices on our nursery stock. We had made elaborate plans to get out the best and finest catalogue we ever issued, but found that printing costs had advanced nearly 100% since last year and if we issued the catalogue we had planned to, we would be required to advance prices on most of our stock. So we hope you will pardon this price list and if there is anything we can write you more fully about we will gladly do so.

We are going to give you the benefit of this saving and hope you will appreciate it and make a good planting this year, as there is nothing that adds to the value of property as the liberal planting of good nursery stock. By planting \$50.00 worth of nursery stock you can easily add five times the value of this amount to the value of your property.

We also expect to readjust our business and change over some of our plots and must move a lot of fine healthy trees and shrubs and are also overstocked on some varieties on which we can make very attractive prices.

If you are interested in a park or wish to plant large trees to make an immediate showing, we have them and will quote you rock bottom prices.

See or write us before making your 1921 purchases.

Buy Northern grown stock that is hardy and save money and disappointment.

### APPLES

Hibernal, Duchess, Okabena Patten's

Each Per 10

Greening Anisim and Wealthy . . . . . 3 to 4 ft. 50c \$4.50

Spirea Van Houttei .....	10.00
Ural Willow .....	4.50

### ORNAMENTAL AND FLOWERING SHRUBS

We have an extra fine line of ornamentals this year and will guarantee the plants we send out will please you. These are well developed and are in the "select specimen" class that some nurserymen charge such a price for. Order a lot of the following:

	Each
Alpine Currant .....	.40c
American Elder .....	.25c
Golden Elder .....	.35c
Am Wahoo or Strawberry Tree (Native) .....	.35c
Barberry Thunbergi .....	.25c
Buckthorn .....	.35c
Caragana or Siberian Pea Tree .....	.25c
Dogwood (Siberian Strain) .....	.40c
Flowering Almond .....	.35c
Siberian Almond .....	.50c
Flowering Currant .....	.25c
Hansen's Purple Leafed Sand Cherry .....	.75c
Honeysuckle, colors red, pink and white .....	.35c
Jasmine .....	.25c
Pyrus Baccata (wild apple tree) .....	.50c
Syringa or Mock Orange .....	.40c
Snowball .....	.50c
Snowberry .....	.40c
Tamarix .....	.50c
Spirea Van Houttei (White) .....	.35c
Spirea Billardi (Pink, very fine) .....	.40c
Spirea Bumulda (Rosy) .....	.40c
Spirea Golden .....	.50c
Buffalo Berry .....	.25c
Choke Cherry .....	.35c

**LILACS:** Be liberal in planting these hardiest of all of the ornamentals.

	Each
Common Purple .....	.25c
Common White .....	.35c
Persian .....	.35c
Alphonse Le Valle (blue) .....	.50c
Pres. Gravy (blue) .....	.50c
Madam Lemoine (white) .....	.50c
Josikaea (purple) .....	.50c
Villosa (Light purple) .....	.50c
Dr. Bretschneider (white) .....	.50c
Chas. Joly (reddish purple) .....	.50c
Sen Volland (Rosy) .....	.50c
Charles x (purple) .....	.50c
Madame Casimer Perier (Creamy white) .....	.50c
Ludwig Spaeth (purplish red) .....	.50c
Chinease Tree Lilac (large) .....	\$1.00

### HARDY ROSES

	Each
Harrison's Yellow .....	.50c
Hardy Double White .....	.50c

	Each
Hermosa (Pink) .....	50c
Hansa Rugosa (double red) .....	75c
Blanc de Coubert Rugosa (double white) .....	75c

### HARDY PERENNIALS

We pride ourselves upon our perennial flowers and believe we have as good a collection as is found in the west. Let us convenience you by sending you a good collection.

Achillea, small white flowers, last nearly all summer .....	25c
Bleeding Heart .....	35c
Columbine, nearly every shade of color .....	25c
Shasta Daisy, very fine .....	25c
Marsh Daisy, blossoms late summer, very large .....	25c
Delphinium or Larkspur (blue) .....	25c
Cypsophyllia or Baby's Breath (white) .....	25c
Lavatera, Siberian (pink) .....	25c
Platycodon or Japanese Bell Flower (white and blue) .....	35c
Ribbon Grass, very ornamental and hardy .....	25c
Ragged Lady, (pink, very desirable) .....	25c
Yucca Glauca (native) .....	35c
Yucca Filamentosa .....	50c
Hardy Phlox, different colors .....	20c

**IRIS FAMILY:** Truly called the orchids of the garden. They come in all of the finer tints of the rainbow.

Pumula Iris: Purple, Blue and Yellow .....	10c
--	-----

Large Flowering Iris: A very select lot of 20 varieties including Whites, Creames, Yellows, Pinks, Blues, Lavendar and varigated .....

Siberian Iris: Blues, Whites and Varigated .....	15c
Collection of 10 mixed Iris .....	\$1.00

### PEONIES

We should have a special catalog for this, the best of all the perennial flowers, extra hardy and dependable and a flower that improves with age. One should plant quite a few clumps to do the best.

#### REDS:

Andre Laures, fragrant magenta red .....	40c
Felix Crousse, one of the best of the reds .....	75c
Louis Van Houttei, velvety cerise red .....	50c
Delachei, rich purplish red .....	50c
La Sublime, rich deep crimson .....	50c
Karl Rosenfield, unsurpassed early brilliant red .....	\$4.00
Rubra, old fashioned red .....	40c

#### WHITES:

Couronne d' Or, called the famous crown of gold .....	\$1.00
Duchess d'nemours, large sulphur white .....	50c
Duke of Wellington, an ideal cut flower variety .....	50c
Festiva Maxima, the most popular white grown .....	75c
Mme. d'Vernville, exquisite sulphur white .....	50c
Marie Lamoine, a large wonderful white .....	75c
La Tulip, another favorite .....	75c
Boule de Neige, white tinged yellow .....	50c
Queen Victoria, a favorite standard white .....	40c

#### PINKS:

	Each
Achille, color is flesh .....	40c
Asa Gray, large salmon .....	50c
Edulus Superba, a very popular early pink .....	50c

	Each
Eugene Verdier, large delicate blush .....	\$1.00
Floral Treasure, a superb pink .....	50c
Fragrans, fragrant violet rose .....	40c
Grandiflora Rosea, fragrant deep rose .....	50c
Humea, sweet scented even pink .....	40c
Jeane d'arc, soft pink .....	50c
L'Esperence, one of the favorite pinks .....	50c
Reine Hortense, avery desirable pink .....	75c
Madam Calot, pinkish white .....	50c
Matilde Mechin, lilac rose .....	50c
Mons Jules Elie, lovely lilac pink, .....	\$2.50
Neptune, purplish rose .....	50c
Octavie Demay, large productive pale pink .....	\$1.50
Solfatere, a new desirable pink .....	50c

### DAHLIAS

We prepropagate the best in the dahlia family and are making very low prices as we have a large stock on hand and must move them. Order liberaliy and we will see you get more than you bargained for.

### CACTUS DAHLIAS

	Each	Per 3
Floradora, a very profuse blossomer, red .....	15c	30c
Gen. Buller, rich deep crimson, tipped with white....	15c	30c
Harbor Light, vivid orange red .....	15c	30c
J. H. Jackson, one of the best of the reds .....	15c	30c
Kriemhilda, a very fine pink .....	15c	30c

### DECORATIVE DAHLIAS:

Catherine Duer, extra large red .....	20c	40c
Delice, a fine strong growing pink .....	15c	30c
Jack Rose, red .....	10c	20c
Mrs. Chas Turner, the largest of the yellows .....	20c	40c
Oban Mauve, free flowering .....	20c	40c

Zulu, velvety maroon .....	10c	20c

### SHOW DAHLIAS:

Bon Ton, deep rich red .....	15c	30c
Crimson Globe .....	15c	30c
Frank Smith, dark maroon, tipped white .....	15c	30c
Rose Pink Century, largest of the Singles, pink .....	15c	30c
Bargain collection, 15 mixed dahlias .....		\$1.00

### GLADIOLUS

America, (fine pink,) Mrs. Francis King (brilliant red, Meadowdale (white,) 10 for 50c, 50 for \$2.00.

### EGGS FOR HATCHING

Barred Plymouth Rocks and Columbian Wyandottes, Per setting, \$1.25, per 50 \$2.50.

### FARM SEED DEPARTMENT

We have concluded to add farm seeds this year. The prices we are quoting herewith are subject to market changes, and as is customary and according to the usages in the seed business we give no warranty, expressed or implied, as to the description, quality productiveness, of any other matter of field seeds and potatoes and we will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they must be at once returned and the money paid will be refunded. All seeds are sold bags weighed in.

## SEED CORN

**S. D. 86;** This corn was selected from Minn. No. 13 by the St. D. experiment station 10 years for earliness. We grew this ourselves upon our own farm and although we did not plant the seed until nearly the 15th of June it matured and made a good yield. We picked the seed before freezing weather and dried it in King corn racks, no two ears touching one another and it should be in the best possible condition and be strong in germination. We can ship the seed in ears or shelled. When shipped in ears we charge 20c per bu. extra for sacks.

Price per bu. \$4.50, 5 bu. or more \$4.00 per bu.

**Edmunds Co. Mixed Flint;** We also grew this corn and believe it is the best corn we ever raised to hog off. It matures early and is never caught by the frost. We have made hand selection of this variety and can highly recommend it. Add 20c per bu. for sacks if seed is shipped in ears.

Price per bu. \$3.00, 5 bu. or more \$2.75 per bu.

## EARLY MIXED WHITE DENT

Has matured here for the past ten years and never has been caught by the frost. Good yielder and for an early variety is hard to beat. Price per bu. \$2.75, 5 bu. or more \$2.50 per bu.

**Pop Corn; Rice and Early maturing mixed.** Price 10 lbs or more 15c per lb.

## BARLEY

**Oderbrucker;** This is the standard variety of barley a good yielder and a dependable kind to grow.

Price \$1.50 per bu. (48 lbs.) 5 or more bu., \$1.25 per bu.

## OATS

**Sixty Day or Kerson Oat:** Recommended by the experiment station as the main crop. Matures and ripens usually before the wild oats do. A good yielder and the surest variety to grow if the season happens to be a little dry.

Price \$1.00 per bu. (32 lbs.) 5 or more bu. 90c.

**New Victory Oat:** This is a new variety, a strain from the Swedish Select Oat. A tremendous yielder, having outyielded every other variety here for the past three seasons. Medium early plump and a heavy yielder. We highly recommend this variety. If you want to improve your yields and quality of your seed order this variety from us.

Price \$1.75 per bu. (32 lbs.) 5 or more bu. \$1.50 per bu.

## WHEAT

**Kubanka Durum;** The most popular of the wheats to-day, is more drought resisting than any of the hard wheats and quite immune from rust. A good yielder of large plump berries. Recommended by the experiment stations and county agents of the northwest. If sown early, generally ripens before the rust damages it. The Kubanka is our first choice.

Price per bu. (60 lbs.) \$2.75 5 or more bu. \$2.50 per bu.

**D 5 Rust Proof Wheat.** This is classified as a red durum and on account of it not being as good a milling wheat as the Kubanka runs 5 to 10c under the price the elevators pay for the Kubanka. But if you wish to sow a wheat that the rust does not effect and that is one of the greatest yielders of any of the wheats, sow our **D 5 Rust Proof**. We sowed a field the middle of May in 1920 and it went 15 bu. of No. 1, and believe if we had sown the same in early April that it would have yielded 35 bu. per acre. The state agronomist admits it has its place.

Price per bu. (60 lbs.) \$3.00 5 or more bu. \$2.50 per bu.

**Acme Rust Proof;** This is an amber durum and is the rust proof wheat that the experiment station recommends. We do not believe it yields as heavy as D. 5 but the grain men do not discriminate against it.

Price per bu. (60 lbs.) \$3.50 5 or more bu. \$3.25 per bu.

**SPELTZ OR EMMER**

One of the best drought resisting feeds grown in the northwest, a good yielder, a general purpose grain, being equally good for horses, cattle, sheep, hogs and poultry.

Price per bu. (40 lbs.) \$1.25 5 or more bu. \$1.00 per bu.

**WHITE SWEET CLOVER; NORTHERN GROWN**

We predict that White Sweet Clover will soon be more generally grown than the Alfalias. It is an easy crop to get started, builds the land up and outyields any of the clover or alfalfa family for pasture purposes. Stock like it better when pastured close. Another advantage is that stock will not bloat on sweet clover, It starts early in the fall.

Price

We have  
we will be pleased to

and Common Alfalfa that  
State amount wanted.

We can supply  
Price 100 lbs. for

and German Millet.

**SEED POTATOES**

Early Ohios ..... Per Bu. \$2.00  
Irish Cobbler ..... Per Bu. \$2.00

**DUROC JERSEY HOGS**

We have prize winners, Sensation and Pathfinder breeding. Keep us in mind when you want a bear at reasonable prices.

**SHROPSHIRE SHEEP**

We got our foundation stock from McKerrow & Sons and will have rams to offer for fall of 1921.

Bromus Grass Seed; Grown in Brown County, S. D. Price per lb. 40c 10 lbs. or more 30 c per lb. per lb.

Soy Beans; Grown in Edmunds Co., Price per lb. 35c 10 lbs. or more 30c per lb.

Cane or Sorghum; Early Amber. Price per lb. 30c, 20 or more lbs. 10c per lb.
